

BIG BUCK HUNTER Pro[®] OPEN SEASON[™]

Update Kit For Big Buck Hunter Pro[®] games

Before beginning any modification, please refer to your Big Buck Hunter Pro[®] manual for important safety precautions and instructions.

The updated software includes new animal stands and bonuses.

Contents

- One DVD – BBHPOS restore disk
- This manual
- New marquee art
- BBHPOS dongle
- CoinUp[®] Manual

IMPORTANT!

If this game is already online:

Requirements

- Fully functioning Big Buck Hunter Pro® machine
- Machine is online and currently registered with CoinUp®

Software Installation

1. **Important!! You must unregister the game before you update software or you may lose online data!**
2. Install the BBHPOS restore disk into the front of the PC, close the DVD drawer and immediately power down the game.
3. Remove old BBHPTOUR dongle from the back of the PC.
4. Insert the new BBHPOS dongle supplied in kit. **Important! Original BBHP dongle must remain installed in the computer!**
5. After 10 seconds, power up the game. Restore will take place immediately after power up. On-screen text tracks change as your hard drive is rewritten with the new software. A warning that your drive is being rewritten is normal.
6. When the update is complete (about 20 minutes), follow on-screen instructions:
Drive configuration successful! Installation Completed Successfully!
Please Remove DVD and Reboot Machine.

Completion

1. When prompted by the machine, recalibrate the guns according to instructions in the original manual.
2. When prompted at "Previous Registration Found" – Shoot Yes.
Registration data will be restored.
3. **If settings aren't restored or previous registration is not found, you must re-register your game, in order to benefit fully from the online experience. See CoinUp® manual page 21 for complete registration instructions.**
4. After you have executed these steps, if your game does not work, please contact CoinUp® at (866) 646-1975.

Marquee Installation
